

August 15, 2020

I can still remember sitting in the cold, empty office at DHS decades ago anxiously waiting to talk with a social worker. It was a scary experience for a young girl. Undoubtedly, The Family Room has become one of my life's passions. The mission of The Family Room is essential to reuniting hurting families and strengthening communities.

Each fall The Family Room hosts our gala to raise important funds to help families heal, grow and reunite. With the gala being canceled this year, our team reimagined our fall fundraiser and we are thrilled to present The Family Room Drive-In Theatre!

This socially-distant event gathers caring people like you for an evening of inspiration, fun and giving. We promise... it will be an incredible night!

The 50s-inspired Drive-In will be hosted at beautiful Canby Grove on the evening of Saturday, October 3, 2020. The evening will include the premier of The Family Room Radio Show, an inspiring program, iconic movie treats and a showing of the film *Inside Out*. This family-friendly event is packed with surprises!

You can make a lasting impact on a family seeking healing and restoration. When you do, a life like mine is positively changed forever. By sponsoring The Family Room's Drive-In Theatre, you are bringing hope to broken families and strengthening our communities! Please see the enclosed information on sponsorship levels and do what you can to ensure that families receive the support they need to continue their journey toward healing and restoration!

With Appreciation,

Erica Soto

Development Director
