Dear Friend,

When Joe and his 13-year-old son began visits at The Family Room, the son had been in foster care for over 2 years. During that time, their contact was limited and brief. They hardly knew each other, and what they knew was shrouded in the traumatic events that led them to their current circumstances.

At The Family Room, we offer a homelike and personalized model of engagement, which proved to be highly beneficial for Joe and his son. They had a lot of work to do to form a trusting and connected bond. Our staff worked with the dad on being reliable, intentional, and playful with his son. As he showed up consistently during the 11 months they spent at The Family Room, their bond increased measurably.

They slowly discovered they both loved superhero movies, dogs, and cooking. They volunteered to cook side by side, preparing dinner for TFR families, which built the 13-year-old's confidence and united them toward a common goal. Consistent support and parent coaching, coupled with hard work by this father and son, ultimately resulted in a successful return home.

I'd like to invite you to stand with The Family Room to ensure that children living in foster care get quality family time with their birth parents so they can work toward reunification. By sponsoring our signature fundraising event, **Boots and Buckles Benefit**, you ensure that families get the new chance they need. Our benefit raises critical funds to help families heal, grow and reunite.

Our Boots and Buckles Benefit will be hosted at Canby Grove on the evening of Saturday, September 30th. We are planning a country western theme, complete with boots, buckles, a barbecue dinner, live music and dancing! This event gathers caring people like you for an evening of inspiration, fun and **giving**. We promise... it will be an incredible night!

You can make a lasting impact on a family seeking healing and restoration. When you do, lives like Joe's are positively changed forever. Please see the enclosed information on sponsorship levels and do what you can to ensure that families receive the support they need to continue their journey toward healing and restoration!

*With Appreciation,*
