Dear Friend,

Andrea brought a curling iron with her and helped her 12-year-old daughter get ready for a dance recital. **Hope Grows Here!**

Sarah played in the sand box with her 4 year old, becoming a part of her imaginary dinosaur world. **Hope Grows Here!**

John surprised his son with a cake and a present to celebrate his 9th birthday. **Hope Grows Here!**

Together families walk to the park, tie-dye t-shirts, and play with chalk. **Hope Grows Here!**

The hope of reunification grows with each weekly visit. The seemingly small, everyday activities are the critical moments that facilitate healing, attachment, and memories.

I'd like to invite you to stand with The Family Room to ensure that children living in foster care get quality family time with their birth parents so they can work toward reunification. By sponsoring our signature fundraising event, **Hope Grows Here**, you ensure that families get the new chance they need. Our fall gala raises critical funds to help families heal, grow, and reunite.

The **Hope Grows Here** Gala will be held at Castaway on the evening of Friday, October 18th. We are celebrating ten years of helping birth parents and their children living in resource (foster) care heal and grow toward a healthy future together. This will be a special and elegant evening filled with heartwarming and hopeful stories that will spotlight the profound impacts of your generous support.

This event gathers caring people like you for an evening of inspiration, fun and **giving**. We promise... it will be an incredible night! You can make a lasting impact on a family seeking healing and restoration. When you do, lives like Andrea's, Sarah's, and John's are positively changed forever. Please see the enclosed information on sponsorship levels and do what you can to ensure that families receive the support they need to continue their journey toward healing and restoration!

With Appreciation,

A handwritten signature in black ink that reads 'Jen Browning'.
