About Us

At The Family Room, we believe every child deserves the chance to grow and thrive within a loving, supportive family. Our mission is to create safe, welcoming spaces where children living in foster care and their birth parents can reconnect, rebuild trust, and strengthen their bond. By focusing on this critical part of the foster care system, we provide families the resources, guidance, and opportunities they need to heal and move toward healthy reunification.

Reunification is a complex and delicate process. At The Family Room, families spend quality time together in a structured, supportive environment under the guidance of skilled Program Directors who are dedicated to fostering connection and trust. Through shared meals, intentional activities, and expert support, we give families the tools they need to restore relationships and strengthen their bond.

Our impact extends beyond individual families. We engage churches, volunteers, and local organizations in this work, creating a community dedicated to supporting families on their path to healing. By strengthening families, we contribute to building healthier, more connected communities.

The Family Room is a place of hope, healing, and transformation. With every visit, families rediscover what it means to be together and build a brighter future, one moment at a time.

Mission

The mission of The Family Room is to increase the likelihood that children living in foster care can be successfully reunited with their birth parents.

Our program model offers a homelike visitation space within the community and increases both the quantity and quality of supervised time families spend together.

About The Event

A Morning with The Family Room is a heartfelt gathering designed to introduce new audiences to The Family Room’s mission and raise critical funds to support children living in foster care and their birth parents. Taking place on April 3rd in Portland, Oregon, this event brings together individuals, churches, and organizations who care deeply about strengthening families and building stronger communities.

This event is also the official launch of our 3-day **Shower With Love Campaign**. Funds raised at the event will feed directly into the campaign’s totals, setting the stage for an impactful and collaborative effort to spread awareness, engage new supporters, and amplify the work of The Family Room.

We are hosting this event because we believe that families thrive when given the tools, resources, and opportunities to heal. By bringing people together, we hope to share stories of transformation, the importance of our work, and how everyone in the room can play a role in reuniting and strengthening families.

Whether you’re just learning about The Family Room or already connected to our mission, this event is a chance to see how hope, trust, and connection can rebuild lives—and how you can help make it happen.
